Dodoe Rumiñahui Mannale

ICT System Engineer | Zurich | ruminahuim.github.io

CV

ICT system engineer from Zurich, focused on automation and AI. My main focus is operating and automating infrastructure around Microsoft 365 and Azure, and more and more on AWS. On the side I build AI systems that are actually used day to day. Alongside work I am studying for the Dipl. Informatiker HF (Cloud-native Engineer) at TBZ.

Work experience

2025 — **System Engineer**

HEKS, Zurich | 02.2025 to present

- Operating and expanding server (VMware) and Azure cloud infrastructure across several sites in Switzerland
- Administration of Microsoft 365 (SharePoint, Teams, Entra ID, Defender) and device management with Intune
- Process automation with Azure Automation, PowerShell, Power Automate and Logic Apps
- Project lead, including the Intune rollout and building an internal AI system (Open WebUI and vLLM)

2023 — **System Engineer**

Vision Inside AG, Wetzikon | 08.2023 to 01.2025

- Customer support and consulting (1st and 2nd level)
- Customer IT projects, testing and rollout of new hardware and software
- Azure automation tools, ChatGPT integration into the ticketing system

2022 — **System Engineer**

Root Service AG, Bürglen TG | 08.2022 to 07.2023

- PowerShell automation of cloud environments (Swiss Cloud)
- Supervising and organising events for apprentices

2018 — **Apprenticeship, IT specialist in system engineering (EFZ)**

Root Service AG, Bürglen TG | 08.2018 to 08.2022

- 1st level support, assembling and delivering hardware
- Designing and documenting IT solutions

Education

Dipl. Informatiker/in HF, Cloud-native Engineer

Technische Berufsschule Zürich (TBZ), class ITCNE25 | 02.2025 to present

Swiss Federal Diploma of Higher Education in Computer Science. Cloud infrastructure and infrastructure as code, containers and Kubernetes, DevOps (CI/CD, Terraform), database systems, IT security. See my semester projects.

IT specialist EFZ, system engineering

Bildungszentrum für Technik Frauenfeld (BZTF) | 2018 to 08.2022

Swiss Federal VET Diploma. Networking, programming, server infrastructure, cloud

Skills

Core skill | Further experience

CLOUD AND INFRASTRUCTURE	**Azure** · **Microsoft 365** · Entra ID · **Intune** · VMware · AWS · Linux · Veeam · Synology
AUTOMATION AND SCRIPTING	**PowerShell** · **Azure Automation** · Logic Apps · Power Automate · Python · Ansible
CLOUD NATIVE AND DEVOPS	**Kubernetes** · Docker · **Terraform** · Helm · GitHub Actions · CI/CD · Argo CD
AI AND TOOLS	**Open WebUI** · vLLM · **Claude Code** · Claude · ChatGPT · AI integration
NETWORKING AND SECURITY	Palo Alto · Cisco · UniFi · IT security
MONITORING	Grafana · Prometheus · PRTG

Languages

German — Native

Spanish — Native

English — Advanced (C1)

French — Basic (A1)

Six levels of the Common European Framework of Reference, from A1 to C2. Purple: native language.

Certificates

Federal VET Diploma, IT specialist EFZ
BZTF Frauenfeld | 08.2022

English B2 Technical
telc | 10.2020

Interests

AI systems, web design and 3D printing.
